### BASIC:

## Party Packages

**\$150 for 8-10 children, additional \$10 for each child extra, up to 14 children.**

Your child and 7 to 13 of their friends get to enjoy 1 hour of Gymnastics time with qualified instructors that can mix fun and learning in a safe environment. The party begins with some stretching in order to prevent injury, then moves on to a circuit of virtually all the equipment set up on the floor exercise mat. From there, the children are split into groups depending on the number of participants (so there is less waiting in line and more gymnastics). The groups use the foam pit and trampoline. We wrap it all up with fun parachute games. **The gym provides gymnastics instruction, helium balloons with candy and a coupon for a free trial class tied to the string.**

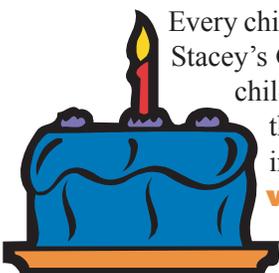

### DELUXE:

**\$175 for 8-10 children, additional \$10 for each child extra, up to 14 children.  
(\$225 for cake, drinks and paper goods to be provided)**

This is a half hour added on to the above package. When the 1 hour of gymnastics time is over, the party moves on to the party room for cake, ice cream and presents. (The gym does not provide any of the preceding). The party room is decorated with a happy birthday banner and the walls are painted purple and yellow with a gymnastics border in the middle. **The gym provides the gymnastics instruction, helium balloons with candy and a coupon for a free trial class tied to the string.**

**\$25 non-refundable deposit required**

### OTHER IMPORTANT INFORMATION:

Every child that participates in the party must have a waiver release form signed by a parent or legal guardian. Stacey's Gymnastics will provide the waiver and directions to our facility to send with your invitations. If a child forgets his or her waiver there will be extras at the gym for the parent of the child to fill out when they arrive. To make the party run smoothly, we ask that parents who wish to stay and watch remain in the waiting area and watch through the viewing windows. **Only Party participants with waivers, and the parents of the birthday boy(s) or girl(s) will be allowed in gym area. Children wishing to participate in the party must be at least 3 years old.**
