We, the staff of Stacey's Gymnastics recognize our obligation to make our party participants and their parents aware of the risks and hazards associated with the sport of gymnastics, tumbling, cheerleading, and dance. Students may suffer injuries; minor, serious, or catastrophic in nature or even death in rare cases. Gymnastics, Tumbling and Cheerleading can be dangerous and can lead to injury!

Parents should make their children aware of the possibility of injury and encourage their children to follow all the safety rules and the coaches instructions.

Stacey's Gymnastics, its coaches and other staff members, will not accept responsibility for injuries sustained by any student during the course of gymnastics, tumbling, dance or cheerleading instruction, or open workouts, or in the course of any exhibition, competition, birthday party or clinic in which he or she may participate or while traveling to or from the event.

With the above in mind, and being fully aware of the risks and possibility of injury involved, I consent to have my child or children participate in the programs offered by Stacey's Gymnastics. I, my executors or other representatives wave and release all rights and claims for damages that I or my child may have against Stacey's Gymnastics and or its representatives whether paid or volunteer.

I also understand that it is the parent's responsibility to warn the child about the dangers of gymnastics and injury. The parent should warn the child according to what the parent feels is appropriate. Stacey's Gymnastics will only warn the child through "Safety Messages" and our teaching style and progressions.
