

## PRIVATE LESSON POLICY

When unable to attend a scheduled lesson, for any reason, please call your coach to let them know as soon as the conflict arises. In case of emergencies please have your coach's **cell phone number** handy so you can call immediately. Do not leave a message at the gym to cancel your lesson. The coach will have the same consideration when he or she needs to cancel.

**If you do not show and do not call,  
you will be charged for your private lesson.**

Someone other than the coach and student(s) taking the private lesson must be present during the lesson in case of a emergency.

Private lesson payments are due at the time of the lesson and should be handed directly to your coach before each lesson.

I have read and understand the Private Lesson Policy. I understand that I will be charged for lessons that are not cancelled in advance.
